COUGAR UIX™ SYSTEM

Integrated software combine COUGAR peripherals into one application.

Whether you are a first-time user or a professional gamer, the intuitive operation system and make it easy to set up, edit commands and the most comprehensive features for a better gaming experience.

COUGAR FUSION™

COUGAR FUSION™

It is a feature that allows COUGAR peripherals to interact together.

MR KEY SHARE

Do not need to open the mouse software immediately begin recording the macro on the mouse.

TIP: Press the MR Key of the keyboard during the game, and press any button you want to set macro on the mouse.

MODE SYNC

Press the M3 key of the keyboard, mouse mode will automatically follow and switch to mode3.

TIP: Check the Mode Sync Switch function on the keyboard software.

2WAY-INSTANT MODE SWITCH

Hold down the button of the mouse, keyboard mode will temporarily switch to other mode. With the function, you can temporarily use the button assignment and macros of the other mode to handle different situations in the game.

TIP: Set a button to Instant Mode Switch function on the mouse/keyboard.

MACRO SHARE

Create a macro on the keyboard and use it directly to the mouse by the Macro Group. Do not need to set the same macro on the mouse again.

SYSTEM REQUIREMENTS

WARRANTY POLICY

WARRANTY PERIODS OF COUGAR GAMING DEVICES

Product	Warranty
COUGAR 600M gaming mouse	1 Year

WARRANTY AGREEMENT

- If the product has defect in material and manufacture, COUGAR will provide product repair and replacement service within the warranty period.
- Our warranty service is based on the date of the invoice or warranty card (must be affixed by the store stamp).
If you lose the aforementioned evidence, we will apply original shipping date of the product as the beginning date of warranty period. The shipping date will be identified by the product serial number(S/N).

CONDITIONS WHERE FREE MAINTENANCE IS NOT PROVIDED

- Any fault or damage caused by natural disasters (including storm, fire, flood, thunder, earthquake, etc).
- Any fault or damage caused by accidental factors and man-made reasons (including hit, scrape, crash, moving, compression, stain, corrosion, use of inapplicable voltage, computer virus, riot, misuse, malicious damage, etc).
- Use in an improper operating environment (including high temperature, high humidity, water inflow, etc).
- Unable to provide the product warranty card, purchase receipt or invoice to prove the product still within the warranty period and the shipping date of the product is out of warranty.
- The warranty card or product serial number has been altered or its number is hard to identify.
- The warranty period has expired.

- Any fault or damage caused by non-compliance of regulations stated on the user manual, or improper, rough and careless treatment.
- Any fault or damage caused by use of parts not certified by COUGAR original manufacturer.
- The problem is caused by improper repair or adjustment by the buyer or any manufacturer without authorization from the COUGAR original manufacturer.
- The product is not acquired from an authorized distributor of the company or is acquired from illicit sources.
- Paper carton, instruction and other accessories are not warranted.

DISCLAIMERS

- COUGAR product is not authorized for use as critical components in life support device or for incorrect application software or malfunction of the product.
- COUGAR is not liable for the death or damage of person or loss of property when product is using as, including but not limited to, medical equipment, military equipment, traffic equipment and disaster prevention system.
- COUGAR's warranty liability is limited to repair, replacement.
- COUGAR is not liable for any damages, expenses, lost data, lost revenues, lost savings, lost profits, or any incidental or consequential damages due to using defect product of COUGAR.

If you have any question about the warranty, please feel free to contact us.
